

WILD CAVING

Let Adventurama take you on a magical underground discovery. Come and share the wonder of Victoria's boulder caves, where your guide will open up an enchanting world of iridescent glow worms. Crawling your way along and equipped with a helmet and head-torch, you will explore a labyrinth of secret passages. Enjoy the buzz of Wild Caving, where you will face challenges that require concentrated teamwork. It's Wild Caving at its best! Are you ready to journey to the centre of the earth?

Wild Caving one day tours operate all year round. Included are highly experienced caving guides, helmet and head-torch, lunch and transport.
